

I.R.C.P. 46. Exceptions Unnecessary.

Idaho Rules of Civil Procedure Rule 46. Exceptions Unnecessary.

Formal exceptions to rulings or orders of the court are unnecessary. It is sufficient that a party, at the time the ruling or order of the court is made or sought, makes known to the court the action which the party desires the court to take or the party's objection to the action of the court and the grounds therefor; and, if a party has no opportunity to object to a ruling or order at the time it is made, the absence of an objection does not thereafter prejudice the party.
